

Tiffany Evans, Promise Ring (Featuring Ciara)

[Intro]

To the b to the b to the b cuz I need
Everybody to the floor (why?)
Cuz this beat is sick (yeah?)
It's time to rock (uh)
That's what it is
Tiffany's her name
Love is the game
And the only way to play
Is with this promise ring

[Verse 1]

Sometimes a girl needs to know that she's
Appreciated for all the things she does
With some sorta token of love
Cuz without it her young heart won't know (heart won't know)
And right then to my surprise (he)
Pulled out a small velour box
Pink ribbon tied
I'm wondering what's inside
He opened it and then he replied

[Pre-Chorus]

He said I promise not to hurt you
I promise not to lie
I promise to befriend you and defend you with my life
I promise you forever
I promise you today (He said)
Would you wear my promise ring (I said yes)

[Chorus]

If ya break ya promise we breakin up
Got a couple things that I want
Walks in the park and sweet things
If I rock your promise ring
I could be pretty young thing
You could become my king
I gotta know you got me
Yes, I'll rock your promise ring
Yes, I'll rock your promise, promise, promise ring
Yes, I'll rock your promise
Yes, I'll rock your promise ring
Yes, I'll rock your promise, promise, promise ring
Yes, I'll rock your promise
Yes, I'll rock your promise ring

[Verse 2]

How in the world could a girl say no
I knew it the moment he made my finger glow
It was good to know I'm who he chose
It was your heart he felt now it shows (now it shows)
U know when u see me floss
No way it's gon get lost
I'll never take this off
I'm older and they call me by your name
I'll wear it on a chain
Because I can hear you say

[Pre-Chorus]

[Chorus]

[Bridge]

Everybody get up
And rock to this beat
My name is Tiffany
And y'all know me
All my girls with me
All the boys like me
Come correctly
With The Promise Ring

And u just might be my boo, my boo
Pro-mise that you'll ne-ver let me go and boy I'll
Boy I'll wear your promise ring
All you have to do is say the word and boy I'll
Boy I'll wear your promise ring
Just let me know
What I gotta do
Just let me know
You ain't goin nowhere
I ain't goin nowhere
I'll be on for sho but you gotta know that
[Chorus]
