[Ciara]

I do not need your money

I am not ambitious,

I live very well without it

Because work and gain much

VERY WELL!

[Timbaland]

Girl, I give you my love!

[Ciara]

Pra what love?

I enjoy the most is the life with my friends, my family

After I think about it

If I depend only on your love

Step hunger

You do not want to see me more dry than I am

Or both?

[Refro Ciara]

[Chorus Ciara]

Boy, do need for you,

D-o not,

Well, I will not run behind you

We tried, I am already tired

I am outside

You do not want me?

I also do not want you! So

Everything is zero?
