

# Tina Turner, A Fool In Love

(Ike Turner)

There's something on my mind  
Won't somebody please, please tell me what's wrong

[Chorus:]

You're just a fool, you know you're in love  
You've got to face it to live in this world  
You take the good along with the bad  
Sometimes you're happy and sometimes you're sad  
You know you love him, you can't understand  
Why he treats you like he do when he's such a good man

He's got me smiling when I should be ashamed  
Got me laughing when my heart is in pain  
Oh no, I must be a fool  
Cause I'll do anything you want me to do

[Chorus]

Without my man I don't wanna live  
You think I'm lying but I'm telling you like it is  
He's got my nose open and that's no lie  
And I, I'm gonna keep him satisfied

[Chorus]

Waves of action speak louder than words  
The truest thing that I ever heard  
I trust my man and all that he do  
And I, and I'll do anything you want me to do
