

Tina Turner, Baby I'm A Star

I've seen the way that you look at him
When you think I'm not around
And I've seen you try to catch his eyes
And you think you're gainin' ground
You know last night he told me
Everything that you said
You asked him if he gets lonely
Well then get this through your head

Keep Your Hands Off My Baby
Keep Your Hands Off My Baby
Don't you know you better give it up
Give it up, give it up, give it up, give it up
Don't you know you better stop, better stop
Leave my baby alone

I've seen the way that you brushed back your hair
I've heard your baby-talk
I know just what you're thinkin' there
Ooo, I'm watchin' what you want
You know it took a lot of patience
To win my baby's love
Now you're tryin' my patience
If you push, I'm gonna shove

Keep Your Hands Off My Baby
Keep Your Hands Off My Baby
Don't you know you better give it up
Give it up, give it up, give it up, give it up
Don't you know you better stop, better stop
Leave my baby alone (yeah)

Yeah, yeah, yeah, yeah, yeah...

I've seen the way that you look at him
When you think I'm not around
I've seen you try to catch his eyes
And you think you're gainin' ground
You know last night he told me
Everything that you said
You asked him if he gets lonely
Well get this through your head

Keep Your Hands Off My...
Keep Your Hands Off My Baby
Keep Your Hands Off My Baby
Don't you know you better give it up
Give it up, give it up, give it up, give it up
Don't you know you better stop, better stop
Leave my baby...
