

Tina Turner, Falling

(Tim Fraser & Sol Connell)

Falling
Help me, I'm falling
Helplessly falling
Falling for you
And mountains
There may be mountains
The highest mountain
Won't keep me from you, oh yeah

[Chorus:]
For you I'd swim across an ocean wide
Just to be with you I'd even dare to fly
It's the miracle that happens every time I fall for you, oh yeah
And forever and forever without end
I just keep...Falling
Needing and wanting
The only one thing
That I want is you, oh yeah

[Chorus]
