

Tina Turner, Gonna Have Fun

This is gonna be fun
This is gonna be real
This is gonna be fun
This is gonna be real
This is gonna be

See you later
Tomorrow's calling
I've gotta run
It's so exciting
A little scary
I wish you could come
I wish you could
Maybe you could come

::Chorus::
This is gonna be fun
This is gonna be real
From my feet to my fingers
I'm gonna feel
I'm gonna feel
This is gonna be real...fun

The clock is tickin'
Telephone ringin'
How time does fly
Don't look so sad
Don't look so lonely
Oh, this ain't goodbye

I wish you could
Maybe you could come

::Chorus::

I've got a full tank of gasoline
I think it's enough to follow the dream
Follow the dream
Follow the dream
Follow the dream

This is gonna be fun
This is gonna be real
From my feet to my fingers
I'm gonna feel
I'm gonna feel
This is gonna be fun
This is gonna be real
From my feet to my fingers
I'm gonna feel
I'm gonna feel
This is gonna be real...fun
This is gonna be real...fun
This is gonna be real
