

Tina Turner, Goodbye So Long

Goodbye, Baby, You're drivin' me crazy.
You thought you had me baby, but I was infatuated,
things ain't what they used to be and you can't do a darn thing for me.

Hey, ooh waa ooh waa ooh waa ooh waa
So long
ooh ooh ooh ooh waa ooh waa
So long

I said things ain't what they used to be and you can't do a darn thing for me

I knew you was cheatin, boy it wasn't worth me competin', now
I ain't gone cry no more, I'm gonna let you go
I said things ain't what they used to be, and you can't do a darn thing for me

Chorus
