

Tina Turner, It's Gonna Work Out Fine

Darling (Yes, Tina) it's time to get next to me
(Honey, that was my plan from the very beginning)
Darling (Uh huh) I never thought that this could be
(What you mean) Oh yeah
Your lips set my soul on fire
You could be my one desire
Oh, darling (Yes yes) I think it's gonna work out fine
(It's gonna work out fine)

I wanna tell you something Ike
Ike, I went to see the preacher man
(The preacher man, you must be losin' your mind)
I started (Started what?) I started making wedding plans
(Oh, really) Oh, yeah
If your love is half as true as the love I offer you
Oh darling (Yes yes) I think it's gonna work out fine
(It's gonna work out fine)

I keep a tellin' ya (I think it's gonna work out fine)
I get the feelin' it's a (Gonna work out fine)
I keep a tellin' you (I know it's gonna work out fine)
I'm so glad that you're mine all mine

Remember (Remember what?) I used to call you Dapper Dan
(Yeah, those were the good ol' days)
But killer, forever and a lovin' man (That's me) oh, yeah
A whole lot of love just to be your speed
But now pretty daddy I'm all you need
Oh darling (Yes yes) I know it's gonna work out fine
(It's gonna work out fine)

I keep a tellin' ya (I think it's gonna work out fine)
I get the feelin' it's a (Gonna work out fine)
I keep a tellin' you (I know it's gonna work out fine)
I want you to know it's gonna work out fine
