

Tina Turner, Open Arms

Ask me no questions
I'll tell you no lies
Come to me when you're down
I'll give you friendly advice
I'll be your avenue, your trusting ear
Release your deepest secrets
I'll be sincere

It's an age old situation
There's nothing to fear
Whatever life throws at you
Your friend is here
Right by your side

When love leaves you cold
Lies have been told
I will be there with my open arms
Hurting inside
Please don't hide the pain
I will be there with my open arms

I know what you're saying
I been there myself
Promises withstand
They left me for someone else
Then the tables turn
A lesson I had to learn
I can't put my fingers cuz
Girls, my fingers have been burned

It's an age old situation
The message is clear
Whatever life throws at you
Your friend is here
Right by your side
