

Tina Turner, Rock Me Baby

(B.B. King & Joe Josea)

Rock me baby, rock me all night long
I said I want you to
Rock me baby, rock me all night long
I want you to rock me like my back ain't got no bones

Roll me daddy like you roll your flour dough
Want you to roll me daddy like you roll your flour dough
I want you to roll me till I want no more

When you see me coming go get your rockin' chair
When you see me coming go get your rockin' chair
I want you to rock me, rock me away from here
Rock me baby, rock me all night long
I said I want you to Rock me baby, rock me all night long
I want you to rock me like my back ain't got no bones

Roll me daddy like you roll your flour dough
I said I want you to roll me daddy like you roll your flour dough
I want you to roll me till I want no more
