Tina Turner, Simply The Best

I call you when I need you, my heart's on fire You come to me, come to me wild and wired When you come to me Give me everything I need Give me a lifetime of promises and a world of dreams Speak the language of love like you know what it means ohh, it can't be wrong Take my heart and make it stronger baby You're simply the best, better than all the rest Better than anyone, anyone I've ever met I'm stuck on your heart, and hang on every word you say Tear us apart, baby I would rather be dead In your heart I see the stars of every night and every day In your eyes I get lost, I get washed away Just as long as I'm here in your arms I could be in no better place You're simply the best, better than all the rest Better than anyone, anyone I've ever met I'm stuck on your heart, and hang on every word you say Tear us apart, baby I would rather be dead Each time you leave me I start losing control You're walking away with my heart and my soul I can feel you even when I'm alone Oh baby, don't let go You're the best, better than all the rest Better than anyone, anyone I've ever met I'm stuck on your heart, and hang on every word you say Tear us apart, baby I would rather be dead Oh, You're the best...
