

# Tina Turner, The Best

I call you when I need you, my heart's on fire  
You come to me, come to me wild and wild  
When you come to me  
Give me everything I need  
Give me a lifetime promises and a world of dreams  
Speak a language of love like you know what it means  
And it can't be wrong  
Take my heart and make it strong baby

You're simply the best  
Better than all the rest  
Better than anyone  
Anyone I've ever met  
I'm stuck on your heart  
I hang on every word you say  
Tear us apart  
Baby, I would rather be dead

In your heart, I see the star of every night and every day  
In your eyes I get lost, I get washed away  
Just as long as I'm here in your arms  
I could be in no better place

You're simply the best  
Better than all the rest  
Better than anyone  
Anyone I've ever met  
I'm stuck on your heart  
I hang on every word you say  
Tear us apart  
Baby, I would rather be dead

Each time you leave me I start losing control  
You're walking away with my heart and my soul  
I can feel you even when I'm alone  
Oh, baby, don't let go

You're simply the best  
Better than all the rest  
Better than anyone  
Anyone I've ever met  
I'm stuck on your heart  
I hang on every word you say  
Tear us apart  
Baby, I would rather be dead
