

# Tina Turner, Tina's Rock Anthem Medley

Hide in me, confide in me  
Oh, don't you think it's time to be  
Everything we ever tried to me  
So you and me can lay it down

If it's alright with you, we wanna love you  
If it's alright with you, I wanna stay with you  
And when the morning sun arrives, you decide if you want me to stay or go

I don't know the answer to the easy way way he opened every door in my mind  
But dreamin' was as easy as believin' it was never gonna end  
And loving him was easier than anything I'll ever do again

Let's not waste one precious moment  
Take all of me, I'm still your woman  
And love me until the break of dawn

Burdened by the things I've learned  
I'm hurting cause I'm too concerned  
Nonetheless I confess I yearn  
To find a way to lay it down

Lay it down, lay it down  
I wish that I could lay it down
