

# Tina Turner, What's Love Got To Do With It

You must understand  
That the touch of your hand  
Makes my pulse react  
That it's only the thrill  
Of boy meeting girl  
Opposites attract

It's physical  
Only logical  
You must try to ignore  
That it means more than that

[Chorus]  
Oh what's love got to do, got to do with it  
What's love but a second hand emotion  
What's love got to do, got to do with it  
Who needs a heart  
When a heart can be broken

It may seem to you  
That I'm acting confused  
When you're close to me  
If I tend to look dazed  
I've read it someplace  
I've got cause to be

There's a name for it  
There's a phrase that fits  
But whatever the reason  
You do it for me

[Chorus]

I've been thinking of a new direction  
But I have to say  
I've been thinking about my own protection  
It scares me to feel this way

What's love got to do, got to do with it  
What's love but a sweet old fashioned notion  
What's love got to do, got to do with it  
Who needs a heart when a heart can be broken
