

Tinashe, Pretend (Ft. ASAP Rocky)

It's almost like
Can't nobody do it quite, like
I do it right
Give it to you how you live

Can we pretend
That everything is like yesterday
What if I just wanna feel you touching me?
Ain't nobody perfect
So if you take a while to make it worth it
I wanna pretend
Let's pretend that we 'bout to break up
To catch the feelings that I when we make up
Legs up, suicide, north side
We never count points when we courtside

Let's pretend I ain't your friend
So we can get it on again
Let's pretend we never met
A good excuse to play forget
Let's pretend you never lied
So I can give it up all night
Swallow my pride, and learn to forgive
When I'm looking for love I pretend
It's you
A love that never ends
I pretend it's you
That I'm in love with

If we pretend that I'm happy when I'm really not
Pretend that I give you everything I've got
Pretend that I'm there when I ain't there
Pretend that I care when I don't care
Once upon a time, I did
Now I admit that I was fucking with a kid
Now I pretend that everything's straight
When everything ex covered up like pain

Let's pretend it's my first time
So you can really blow my mind
Let's pretend we never met
A good excuse to play forget
Let's pretend you never lied
So I can give it up all night
Swallow my pride, and learn to forgive
When I'm looking for love I pretend

It's you
A love that never ends
I pretend it's you
That I'm in love with

[ASAP Rocky:]

To never fool around with you was my best deed
Stand up, got a heart up on my left sleeve
When I could find another lover by the next week
Besties turn to ex-ies from a pep tease
Fuck what these other niggas on, I came to flaunt
What's that ASAP, a little Saint Laurent?
Probably what you're thinking 'bout, the commas in my bank account
Pretty bitches bring em out, jiggy nigga in the house
When I caught her dancing by the couch
With her little booty hanging out
Sticking something in her stomach

Got her screaming out "I'm coming", fronting like you really want it
Still my nigga though

It's you
A love that never ends
I pretend it's you
That I'm in love with

Can we pretend?
