Tinchy Stryder ft. N-Dubz, Number 1

[DAPPY]
ah uh uh oh
ah uh uh oh
ah uh uh oh
ah uh uh oh (na na naii)
ah uh uh oh
ah uh uh oh (Tinchy Stryder)
ah uh uh oh (N dubz)
ah uh uh oh (yo)
[TINCHY]
it was nothing but a quick think
kids games, kiss chase, just a quick fling
now im hoping you never go missing
now im telling you, you can hold this ring, watch how it glistens
it was done as quick as the wind blows
didnt think i would ever be involved
so i even wrote a song called dont go
now its just you and me on a love row
Dappy like dino us two tip toes duck dive get low
and now i care less about who knows
now were deep in way past intro dappy explain yo
[BRIDGE][DAPPY]
see never did i think a boy like me would be in need
when all i really wanted was to have some fun
now im losing my head, im telling you one thing
youre number one
[CHORUS]
see i dont understand how youre number one
when it was just a fling before now, youre the one
see all i did was blink twice, from my homie to my only
number one
ah uh uh oh
ah uh uh oh
ah uh uh oh
ah uh uh oh
[TINCHY]
yo
it was all now never planned no after
it was like games jokes laughter
live for the moment, left it all open
now im in deep, flames, lava, breathe, karma
and now im stating, see i never saw this in my daydream
its really you that im fully rating
and the days here no more waiting
pay it all wise to the smart man raised him
i was so hurt, pain, aching
on the wrong path then a good girl saved him
thats why im letting her know shes amazing
[BRIDGE][DAPPY]
see never did i think a boy like me would be in need
when all i really wanted was to have some fun
now im losing my head, im telling you one thing
youre number one
[CHORUS]
see i dont understand how youre number one
when it was just a fling before now, youre the one
see all i did was blink twice from my homie to my only
number one
you lift me off the ground
i always want you around
i aint gunna let nothing get in the way
ill never let nothing get in the way
you lift me off the ground
i always want you around

i aint gunna let nothing get in the way
ill never let nothing get in the way
[TINCHY]
yo, i aint never gunna let nothing get in the way
you play your cards all right youre on As
you make my nights so bright youre my days
you took me out of the maze
you are number one
[CHORUS][DAPPY]
see i dont understand how youre number one
when it was just a fling before now, youre the one
see all i did was blink twice from my homie to my only
number one
you lift me off the ground
i always want you around
i aint gunna let nothing get in the way
ill never let nothing get in the way
you lift me off the ground
i always want you around
i aint gunna let nothing get in the way
ill never let nothing get in the way
[OUTRO][TINCHY]
youre number one youre in the race youre a leader
girl youre out of this world i cant see ya
and now you got a place in my heart
its funny how you actually went
from my homie to my only
number one
