

Tito & Tarantula, Super Girl

Super Vita Girl
Cool indeed
Flying over a world in need
She's helping all to rid their greed
Well fame & money is not her thing
Super vita girl
Gonna save the world
Super vita Jane
Could be all we needed
Hey! Go girl!
Looks like it's working
So everyody play
Nothing to worry
About no one to pay
Not one child is hungry
The government' on hold
That super girl is rockin', baby
No one's out in the cold
Super vita girl
Gonna save the world
Super vita Jane
Could be all we needed
Hey! Go girl!
Super vita girl
Gonna fight you man
Super vita Jane
Could be all we needed
Hey! Go girl!
Super vita girl
Gonna save the world
Super vita Jane
Could be all we needed
Hey! Go girl!
Super vita girl
Gonna save the world
Super vita Jane
Could be all we needed
Hey! Go girl!
