

# Toby Keith, Big Bull Rider

I'm gonna slide on down  
Pull my bull rope tight  
Gonna get wild and western  
Out here tonight

Drew Kathmandu  
A good bull to ride  
I spur the lot  
And I'm ready to rock  
Let's go outside

[Chorus]  
And the world explodes  
As they open up my chute  
And the crowd goes wild  
When they turn this bad boy loose  
Ain't gonna go down, down, down  
On the Soul Side of Wonder  
I'm a big bull rider  
Yeah, a big bull rider!

[Chorus]  
Yeah, a big bull rider!
