

Toby Lightman, Holding Me Down

You're making this way too hard and pushing
me way too far past my limit
You know this is new to me but I never
thought I would be the only one to give it

Come on baby take what I'm giving, stop
messing around
Quit bringing me down
You better take it while you can get it
Cause I won't hang around if you're
holding me down

Something's not feeling right here, are we
clear, you better shape up
This ain't about what you need so all this greed
better be made up

Come on baby take what I'm giving, stop
messing around
Quit bringing me down

You better take it while you can get it
Cause I won't hang around if you're
holding me down
Don't want to be the one to regret it
When you hit the ground, I'm not holding you down
If you don't take it now then forget it
Stop messing around, quit bringing me down

I'm someone worth loving so why you shoving
me out of the picture
So take this off my back and stop this damn
attack and get it together
