Two bitches, I got a breast to breast  
Tuition, I pay the next semes'  
Too different, I shouldn't press the press  
Suit fitted with the extra press  
Louis Vuitton is the dress, the dress  
Who listed it from best to worst?  
Blue ribbon on my chest, I'm first  
Blue ribbon like a BC frat bitch boy  
We pop like 3D flat bitch boy  
That ain't no BB gat, lil' toy  
I don't know shit that stay in my homies whip  
Like, easy pass, bitch boy  
When mac was easy, mac bitch boy  
I didn't have shit, now I got double-click like PC pad bitch  
Man can't get a payday my brother  
Eight base but I maintain my lover  
Drank, drank and the drank taste like butter  
Might make way to the AA like gunner  
That ho just blowed four of my brothers  
So I call my other bro "No, don't fuck her"  
My bro still got a home and a gun that got no foes  
But he still hold that blakka

Four levels in the crib, I fuck in the bottom or no  
Top of the shoe got the tag, and what does it say?  
It say "Look at all of them O's"  
All of them O's say "Ooh" and so do all of them hoes, I'm profitable  
I got a bro who was bangin' and throwin' them signs in front of your crib just like it's a property soul  
She call me honey bunny, she my motel ho'  
2021 and I'm on go, went from Denny's to temaki rolls  
Oil money like it's Abu-Dhabi and the Bentley-Bentley on the highway home  
Baby ask me "Wanna split the bill?"  
Because it turned her on when I say "Ha-ha, no"

Ha-ha no, ha-ha-ha-ha-ha, no  
Tone different, I'm a whole different man  
Two cups and I move slow like minute hand  
Three twenties in a whole green, I kill a gram  
Blue hunnids in a whole blue like Jigga man  
Pullin' out, she hold kids like minivan  
Pullin' out she - Fuck!

And just knowing that I wasn't the only one
