## Tom Petty, Won't Last Long

(Tom Petty)

You and me been over this ground Over this ground before I can't explain I can't explain I can't explain anymore Oh it's hard to watch you go

I'm down but it won't last long I'm down but it won't last long

Don't let me down Don't let me down Don't let me down like this

It's not the same Over and over Over and over again Yeah, this is not my day

I'm down but it won't last long I'm down but it won't last long

Half my brain has gone away Half my brain has gone So far away

Don't let me down Don't let me down Don't let me down again

Don't shake me up Don't burn me out I'm hurt and you won't let me in Yeah, this is not my day

I'm down but it won't last long I'm down but it won't last long
