

# Tom Tom Club, As Above, So Below

Hold the symbol to your forehead  
Close your eyes  
Call the spirit of the symbol  
Come to me  
Call the symbols of the golden age  
One by one  
Call the water, fire, air and earth  
Come to me

As above, so below  
As above, so below  
As above, so below  
As above, so below

Behold the door appears before you  
Walk on through  
Observe the doorway now behind you  
Look ahead  
Call the spirit of the symbol  
Come to me  
Allow the deity to guide you  
Follow me

As above, so below  
As above, so below  
As above, so below  
As above, so below

A web of thought; of tangled vision  
Humanity  
Tear away the veil before me  
Set me free  
Tales to picture that you give to me  
Memory  
Tear away the minds that bind me  
Liberty

As above, so below  
As above, so below  
As above, so below  
As above, so below

Thank the spirit of the symbol  
Once you see  
Raise your finger to your lips now  
Sign of silence  
Find the doorway of the symbol  
Pass on through  
Find the doorway of the symbol  
Pass on through...

As above, so below
