

# Tom Tom Club, Lorelei

Lorelei  
Maybe you like a little melody  
It's not the words that move me

Lorelei Lorelei Lorelei  
Maybe you like a lullaby  
Now I can't remember why

Lorelei Lorelei Lorelei  
Intuition's leading us where  
I don't know yet

Lorelei Lorelei  
Something's happening  
Hard to place it  
Hard to hide it

Lorelei Lorelei  
What is happening  
I'm not sure  
I guess you know it

Lorelei Lorelei

Deep in the jungle of thought  
There comes a clearing  
And in the clearing  
There is a pool

The pool is deep  
The water cool  
This is the thought  
The thought is you

Lorelei Lorelei Lorelei

Intuition's leading us where  
I don't know yet

Lorelei Lorelei  
Something's happening  
Hard to place it  
Hard to hide it

Lorelei Lorelei  
What is happening  
I'm not sure  
I guess you know it

Lorelei Lorelei  
Lorelei Lorelei  
Lorelei Lorelei

Across the wasted plain  
Across the twisted dunes  
Beyond the colored lights  
The mountain looms

The air is thin  
The door within  
The sea of light  
The light is you

Lorelei Lorelei Lorelei ...
