

# Tom Verlaine, Kingdom Come

(Verlaine)

Well, I walked in the pouring rain  
And I heard the voice that cries it's all in vain  
The face of doom was shining in my room  
I just need one day somewhere far away  
Lord, I just need one day.

Well, I'll be breaking these rocks until the Kingdom comes  
And I'll be cuttin' this hay until the Kingdom comes  
Yes, I'll be breaking these rocks until the Kingdom comes  
It's my price to pay until the Kingdom comes.

The river's so muddy, but it may come clear  
And I know too well what's keeping me here  
I'm just a slave of a burning ray  
Give me the night, I can't take another sight  
Please give me the night.

Well I'll be breaking these rocks until the Kingdom comes  
And I'll be cuttin' this hay until the Kingdom comes  
Yes, I'll be breaking these rocks until the Kingdom comes  
It's my price to pay until the Kingdom comes.

The sun keeps beating down, the wall's a mile high  
Up in the towers they're watching me, hoping I'm gonna die  
But they'll open these cells when the Kingdom comes  
I won't be breaking no rocks when the Kingdom comes  
Yes, they'll open these cells when the Kingdom comes  
I won't hear their talk when the Kingdom comes  
I'm going up for a pardon when the Kingdom comes  
Well pardon me, when the Kingdom comes  
I won't be breaking no rock  
I won't be breaking no rock  
I won't be breaking no rock  
When the Kingdom comes.
