

# Tom Waits, Down, Down, Down

He went down down down  
and the devil called him by name  
he went down down down  
hangin' onto the back of a train  
he went down down down  
this boy went solid down  
always chewed tobacco  
and the bathtub gin  
always chewed tobacco  
and the bathtub gin  
he went down down down  
this boy went solid down  
he went down

Well he went down down down  
and the jumped on his head  
he went down down down  
stayin' in a broken down shed  
he went down down down  
sleepin' in the devil's bed

he went down down down  
never listened to the words I said  
he went down down down down  
he went down

Well he went down down down  
and the devil said where you been  
he went down down down  
he screamin' down around the bend  
down down down  
this boy went solid down

He was always cheatin'  
and he always told lies  
he was always cheatin'  
and he always told lies  
he went down down down  
down down down  
this boy went solid down  
he went down
