

Tom Waits, I dont wanna grow up

When Im lyin in my bed at night
I dont wanna grow up
Nothin ever seems to turn out right
I dont wanna grow up
How do you move in a world of fog
Thats always changing things
Makes me wish that I could be a dog
When I see the price that you pay
I dont wanna grow up
I dont ever wanna be that way
I dont wanna grow up
Seems like folks turn into things
That theyd never want
The only thing to live for
Is today...
Im gonna put a hole in my tv set
I dont wanna grow up
Open up the medicine chest
And I dont wanna grow up
I dont wanna have to shout it out
I dont want my hair to fall out
I dont wanna be filled with doubt
I dont wanna be a good boy scout
I dont wanna have to learn to count
I dont wanna have the biggest amount
I dont wanna grow up
Well when I see my parents fight
I dont wanna grow up
They all go out and drinking all night
And I dont wanna grow up
Id rather stay here in my room
Nothin out there but sad and gloom
I dont wanna live in a big old tomb
On grand street
When I see the 5 oclock news
I dont wanna grow up
Comb their hair and shine their shoes
I dont wanna grow up
Stay around in my old hometown
I dont wanna put no money down
I dont wanna get me a big old loan
Work them fingers to the bone
I dont wanna float a broom
Fall in love and get married then boom
How the hell did I get here so soon
I dont wanna grow up
