

Tom Walker, Better Half of Me

you'll always be my number one
a whole lot more than good enough
I'm giving everything I've got
to gain every second lost
6 years just ain't enough

when you I am happy being me
I don't pretend
cause I don't need to
I am thousand miles from home
when you whisper down the phone

well I guess we never saw this coming
halfway around the world calling
but I just want you to know

that I'd have all I need
if you were standing right in front of me
I'll finally see
what it means to be complete
don't need to spend our lives chasing gold
anywhere when you
I'll call my home
I'd have all I need
if you be the better half of me

I am still up, it's
4 am
is the Amsterdam or Berlin?
I'm just waiting for the day
I finally get to say
these words face to face

well I guess we never saw this coming
halfway around the world calling
but I just want you to know

that I'd have all I need
if you were standing right in front of me
I'll finally see
what it means to be complete
don't need to spend our lives chasing gold
anywhere when you
I'll call my home
I'd have all I need
if you be the better half of me
