

Tom Walker, Just You and I

let's get drunk
let's pour my heart out through my mouth
this year's been hard for us no doubt
let's raise a glass to a better one
and all the things that we've overcome
are bring home to us
cause me and we can hold this out
only you understand how I am feeling now

and I know I can tell you anything
you won't judge, you're just listening
cause you're the best thing that ever happen to me
cause e my darling, you and I could take over the world
and one step at a time
just you and I
cause you're the only one
who brings light just like the sun
one step at a time
just you and I

let's get drunk
when we broke,
not getting paid and taking trips on the weekend
when I would drop down to see you
and we would paint the town
too many chugs, I'll be passing out
cause I can never keep up quad vods now I am puking up
and I know

and I know I can tell you anything
you won't judge, you're just listening
cause you're the best thing that ever happen to me
cause e my darling, you and I could take over the world
and one step at a time
just you and I
cause you're the only one
who brings light just like the sun
one step at a time
just you and I
