

Tom Walker, Leave a Light On

the second someone mentioned you were all alone
I could feel the trouble coursing through your veins
now I know, it' got a hold
just a phone call left unanswered had me sparking up
these cigarettes won't stop me wondering where you are
don't let go
keep a hold

if you look into the distance
there's a house upon the hill
guiding like a lighthouse
it's a place where you'll be safe to feel our grace
cause we've all made mistake
if you've lost your way

and I will leave a light on
I will leave a light on
I will leave a light on
I will leave a light on

tell me what's been happening
what's been on your mind?
lately you've been searching for a darker place to hide
that's light?
but if you carry on abusing you'll be robbed from us
I refuse to lose another friend to drugs
just come home
don't let go

if you look into the distance
there's a house upon the hill
guiding like a lighthouse
it's a place where you'll be safe to feel our grace
cause we've all made mistake
if you've lost your way

and I will leave a light on
I will leave a light on
I will leave a light on
I will leave a light on

if you look into the distance
there's a house upon the hill
guiding like a lighthouse
it's a place where you'll be safe to feel our grace
and if you've lost you way
if you've lost your way

and I know your down and out now
but I need you to be brave
hiding from the truth
ain't going to make this all ok.
I feel your pain
if you don't feel our grace, then you've lost your way

and I will leave a light on
I will leave a light on
