

Tommy Roe, Heather Honey

Oh Heather honey
Warm as the sunshine
Oh Heather honey
Your love is so fine

I've been here, I've been there
I've been around
and I fell in and out of love
In most every town
But the girls I knew were not like you
You're a different kind
Heather honey, now can't you see
You're blowing my mind

Oh Heather honey
Warm as the sunshine
Oh Heather honey
Your love is so fine

Everyday my friends say
I'm just a fool to fall in love
To them it seems ain't very cool
But I don't care what they say
I just can't resist
Heather, I fell head over heels
First time we kissed

Oh Heather honey
Warm as the sunshine
Oh Heather honey
Your love is so fine

Heather, honey I bet money
We'll never split cause
Loving you is so easy to do
And I'll never quit
So build your plans around this man
'Cause I love you so
And don't you forget my pretty pet
I'll never let you go

Oh Heather honey
Warm as the sunshine
Oh Heather honey
Your love is so fine
(repeat & fade out)
