

# Tommy Roe, Hooray For Hazel

Hooray for Hazel, she put me down  
Hooray for Hazel, she made me her clown  
Hooray for Hazel, she's up to her tricks  
Hooray for Hazel, she's gettin' her kicks

Hazel's been in love with many a guy  
She tells them that she loves 'em and then says goodbye  
Hooray for Hazel, I'm now on her list  
I'm just another fool that couldn't resist

Hooray for Hazel, she put me down  
Hooray for Hazel, she made me her clown  
Hooray for Hazel, she's up to her tricks  
Hooray for Hazel, she's gettin' her kicks

Hazel never feels any pity or shame  
A broken heart is just a part of her evil game  
Hooray for Hazel, she did it again  
I'll join the ranks of broken hearts that she put me in

Hooray for Hazel, she put me down  
Hooray for Hazel, she made me her clown  
Hooray for Hazel, she's up to her tricks  
Hooray for Hazel, she's gettin' her kicks

Hazel only does things she wants to do  
She's selfish and spoiled and she knows that she's cute  
Hooray for Hazel, she still gets her way  
But there's a time a-comin' we'll be able to say

Hooray for Hazel, there's tears in her eyes  
Hooray for Hazel, she know how to cry  
Hooray for Hazel, she's meek as a dove  
Hooray for Hazel, she's beggin' for love  
Hooray for Hazel, there's tears in her eyes  
Hooray for Hazel, she know how to cry
