

TONES AND I, UR SO F**KING COOL

Everybody's talking about sex
Everybody's talking about ex
Like no one really wants to find a genuine connect
Before they even look at you
They move on to the next
And i know that they say
Don't you worry, i'm the one
Then the very next day
They said they're done
And i don't want to listen to the shit you've spun
No, i don't want to listen to the shit you've spun

Walk into a party , feelin' out of place
Everyone's too cool
Everyone's too fake
I try to start a conversation but i can't seem to relate
Yo, i am about to get an Uber

Cause you're so fucking coo
You're just way too fucking cool

And i don't really care if you're king
And i don't really care for gold things
You'll be pointing at some girls and saying
Yeh, we had a fling
But you're not fooling me
You're just a puppet on a string
Just a puppet on a string
And the say dn't you worry , i am the one
Then the very next day ,
They said they're done
And i don't want to listen to the shit you've spun
No, i don't want to listen to the shit you've spun

Walk into a party , feelin' out of place
Everyone's too cool
Everyone's too fake
I try to start a conversation but i can't seem to relate
Yo, i am about to get an Uber

Cause you're so fucking coo
You're just way too fucking cool
