

Toni Braxton, There's No Me Without You

There's no me without you
There's no meaning to life without you
Tell me why should I care 'bout doing my hair
When I can't stop the thinking about you
There's no moon without you
There's no Saturday nights without you
There's no walk through the park
No beat in my heart
No I love you No I can't live without you
You told me everything would be cool
Said I wouldn't always feel blue
How come I feel like a wreck
How come the skies are all gray
How come my eyes are all red
Why am I alone in bed
