

Tony Bennet, The Way You Look Tonight

Someday when I'm awfully low
When the world is cold
I will feel a glow
Just thinking of you
And the way you look tonight

O but you're lovely
With your smile so warm
And your cheeks so soft
There is nothing for me to love you
Just the way you look tonight

With each word, your tenderness grows
Tearing my fear apart
And that laugh that wrinkles your nose
Touches my foolish heart

Lovely never never change
Keep that breathless change
Won't you please arrange it
Cause I, I love you
Just the way you look tonight

Just the way you look tonight
