Tony Touch, Hey DJ

(feat. Nina Sky & B-Real (from Cypress Hill))

[Nina Sky:]
Hey DJ just play that song
i dame un poquito de reggeaton (wow)
on the party all night
till the break of dawn
so keep me dancin all night
all night

[Tony Touch:]
Reggeatony pa la honey
still dont nothing move
but the money
tony touch nina sky and the hommie
en el party la ri da ri
ai mellao bien activado
esto es lo ke vale
check check check it out
dale dale dale mammi let it out
el flow esta peligroso ten cuidao
te lo juro ke lo tuyo
ahora vamos a meterle bien duro
underground pa todo el mundo
mister capri-cu u know how we do
te estoy velando los ke me odian
siguen tirando yo sigo gozando improvisando
con todas las mujeres gritando

[Nina Sky:]
Hey DJ just play that song
i dame un poquito de reggeaton(wow)
on the party all night
till the break of dawn
so keep me dancin (dancin)
all night(all night)

[B- Real:]
Dont get it confused
me and tony coming with the hot shit
mariguana
and if u lost it aint no worrys
but if u talk shit
fist of fury
soy el tipo ke tu conoces
yo te mando ala tierra
i te deja flores
pa los viejos i menores
no te pongas bravo
te enseo dolores
its the time we flippin
we makin the cheddar
we on the biggest
like two people coming together
in the lated world trade it
glad that we made it
we are unfaded but we
always be hated
we get a minute in the day
and we see the logic
we feel like smokin so we
make believe that cronic
ashes to ashes
dust to dust

me and Tony flippin is a must

Hey DJ just play that song
i dame un poquito de reggeaton(wow)
on the party all night
till the break of dawn
so keep me dancin (dancin)
all night(all night)

[Hook x2]

Its getting hot tonight
bottles on my side
me and my girls and I
gonna get my party on

Im checkin all the papi's watching
motion towards the floor start dancing
Tony's got the party rockin
DJ wont u play my song

Hey DJ just play that song
i dame un poquito de reggeaton(wow)
on the party all night
till the break of dawn
so keep me dancin (dancin)
all night(all night)

[Hook x2]

allllllll(hey)
