

Too Short, My Dick, My Sack

Yeah Yeah

Real players up in here now, represent
Ya'll talkin' all that shit about
Somethings blingin' on ya all day & back of your crack
Talkin' to a real playa now girl
Fo' real
I don't go first

You want me to do it now
Do it good tie me up the put you big dick in my pussy
Yo' neck, yo back
Lick yo pussy & yo crack(2 times)

I know ya'll pop that pussy so quick
But now it's time to make sure you suck this dick
Wavin' your hands all up in the air
Better recognize when you see a real player
All about the game, if you aint about that
Aint nobody trying to get a thing at your cat
But some money, now whatchu gonna do for me?
Cuz i get done first usually
If you can't make it happen then we got problems
Speak into the mic girl we can solve 'em
Open up wide it's time to get loud
While i put this thing inside

(Chorus)

So lick it now
Lick it good
Suck this dick just like you should
Right now lick it good
Suck my dick just like you should
That's it, like that
Lick my dick & my sack
Don't quit like that
Lick my dick & my sack
Yeah bitch like that
Lick my dick & my sack
Don't trip like that
Lick my dick & my sack

First you gotta take your tounge
Stick it out, up & down let it run
All around my dick & balls
Let the spit drip from your jaws
Get hype wit it it's yo' chance
Squeeze my dick let it slide in your hand
Don't stop 'til you make me cum
After me give my homeboy sum
Bustin' nuts all in yo' face
Open wide i know you love that taste
The best head comes from real hoes
I get big like a dildo

(Chorus)

You want me to do it now
Do it good
Lick yo' pussy just like i should
Right now lick it good
Suck that pussy just like i should

Yo neck, yo back
Lick yo pussy & yo crack(4 times)
