

Tory Lanez, IT DOESN'T MATTER

Give that somethin' to me
We gon' take that shit from 60 to 103, yeah
Lookin' at your water and it's somethin' to ski
Might not be somethin' for everybody but somethin' for me, yeah

Thinkin', "That's my thot" (Oh)
And I like her a lot (Oh)
So, it doesn't matter, it doesn't matter
You might call me a thot (Oh)
But she likes me a lot, ayy (Oh)
And it doesn't matter, it doesn't matter
Thinkin', "That's my thot" (Oh)
And I like her a lot (Oh)
So, it doesn't matter, it doesn't matter (Ayy)

Don't mistake her for my old thottie (Yeah)
You ain't fuck my bitch if you hit on her old body
'Cause since she got it done, since she got it done
She been on the 'Gram screamin', "I'm the one"
I just wanna run into you, baby
I'm the one that's layin' skin to skin with you, baby
I'm the same nigga that get it in with you, baby
Spin through you, baby
Fuck what them haters say
I'm gettin' with you, baby
Lickin' on me, got me kissin' on you while I'm behind all the tints the Mercedes
It's so crazy, that's that hazy
And when she hit the floor, I say, "That's my baby"

Thinkin', "That's my thot" (Oh)
And I like her a lot (Oh)
So, it doesn't matter, it doesn't matter
You might call me a thot (Oh)
But she likes me a lot, ayy (Oh)
And it doesn't matter, it doesn't matter
It doesn't matter, it doesn't matter
It doesn't matter, it doesn't matter

Baby, you know what it is (Yeah)
Top down, gettin' topped down on the beach (Yeah)
T.G.I Friday, I threw it in a reef
Threw it in a treef, got her luggage, movin' in my crib, yeah
We been sippin' on Reposado, yes, that's my bottle
Yes, that's my thot, and I go full throttle, fool for my baby
Pass her the Patrón before she go crazy
Ah, ah, she a bad lil' bitch and she ain't worried 'bout side eyes
From them basic hoes with their man back home
She be sexin' me and I can't leave her alone (Oh, oh-oh, oh)

Thinkin', "That's my thot" (Oh)
And I like her a lot (Oh)
So, it doesn't matter, it doesn't matter
You might call me a thot (Oh)
But she likes me a lot, ayy (Oh)
And it doesn't matter, it doesn't matter
Thinkin', "That's my thot" (Oh)
And I like her a lot (Oh)
So, it doesn't matter, it doesn't matter
It doesn't matter, it doesn't matter
It doesn't matter, it doesn't matter
