

Tory Lanez, SKAT (feat. DaBaby)

Hopped in the Skat, bitch
I am back, where have you been?
Fifty thousand dollars on my jack
Goin' stupid
Back outside, every time it's a new fit
Niggas love to lie
Gotta tell 'em what the truth is
Hopped in the Skat, bitch
I am back, where have you been?
Fifty thousand dollars on my jack
Goin' stupid
Back outside, every time it's a new fit
Niggas love to lie
Gotta tell 'em what the truth is
