

# Toto, Anna

Anna please turn around  
We'll work it out somehow  
Anna don't turn me down  
There's still a chance if we can hold out once more

'Cause we started out with love  
That was more than enough  
And that's a lot to give up

Even if you turn and walk away  
Love will bring you back somehow  
I will wait forever and a day  
'Cause I believe without a doubt  
The time will not run out on our love

Anna you gotta stay  
It's just a stage we're going through  
And Anna this all can change  
If we turn the page we can start all again

'Cause we almost touched the sky  
And it could never again be this right  
Anna please change your mind

Even if you turn and walk away  
Love will bring you back somehow  
I will wait forever and a day  
'Cause I believe without a doubt  
The time will not run out on our love

[Instrumental break]

Even if you turn and walk away  
Love will bring you back somehow  
I will wait forever and a day  
'Cause I believe without a doubt  
The time will not run out  
[repeats 2x]

And I believe without a doubt  
The time will not run out  
And I believe without a doubt  
The time will not run out on our love
