Toto, I Won't Hold You Back

If I had another chance tonight I'd try to tell you that the things we had were right Time can't erase the love we shared But it gives me time to realize just how much you cared

Now you're gone, I'm really not the same, I guess I have myself to blame Time can't erase the things we said But it gives me time to realize that you're the one instead

[Chorus:]

You know I won't hold you back now The love we had just can't be found You know I can't hold you back now

Now that I'm alone it gives me time to think about the years that you were mine Time can erase the love we shared But it gives me time to realize just how much you cared

[Chorus:]

You know I won't hold you back now The love we had just can't be found (Listen to me baby) You know I can't hold you back now

[Instrumental break]

You know I won't hold you back now The love we had just can't be found You know I can't hold you back now The love we had just can't be found

[Repeat until fade]
