

Tove Lo, bitches (ft. Charli XCX, Icona Pop, Elliph

appreciate it
touch me like you know what you do
and what you don't
but I'm feeling jadeo
know your own love
I don't fuck with o gloves so
why complicated it?
let me be your guide when you eat my pussy out cause
I've had one for to even a few
yes, more than you

all the girls stare at me
drop lip
dripping in harmony
like fifth
lay'em down
fell'em up
and the slide away
so easy

bitches I don't trust 'em
but they give me
what I want for the night
bitches I don't trust 'em
but I tell 'em
Only do what I like!,
why
bitches I don't trust 'em
but they give me
what I want for the night
bitches I don't trust 'em
but I tell 'em
Only do what I like!,
why

they can't fake it
drying off the seat when they getting up
to leave so (wet)
they get notice
I am better if they blunt
I don't really wanna hunt so
why complicated it?
I call it respect when you giving what you get
so
baby spread your legs
I'll do the same
already cumming

all the girls stare at me
drop lip
dripping in harmony
like fifth
lay'em down
fell'em up
and the slide away
so easy

bitches I don't trust 'em
but they give me
what I want for the night
bitches I don't trust 'em
but I tell 'em
Only do what I like!,
why
