

Tove Lo, Habits (Stay High)

I eat my dinner in my bathtub
Then I go to sex clubs
Watching freaky people gettin' it on
It doesn't make me nervous
If anything I'm restless
Yeah, I've been around and I've seen it all

I get home, I got the munchies
Binge on all my Twinkies
Throw up in the tub
Then I go to sleep
And I drank up all my money
Dazed and kinda lonely

You're gone and I gotta stay
High all the time
To keep you off my mind
High all the time
To keep you off my mind
Spend my days locked in a haze
Trying to forget you babe
I fall back down
Gotta stay high all my life
To forget I'm missing you

Pick up daddies at the playground
How I spend my daytime
Loosen up the frown,
Make them feel alive
I'll make it fast and greasy
I'm numb and way too easy

You're gone and I gotta stay
High all the time
To keep you off my mind
High all the time
To keep you off my mind
Spend my days locked in a haze
Trying to forget you babe
I fall back down
Gotta stay high all my life
To forget I'm missing you

Staying in my play pretend
Where the fun ain't got no end
Can't go home alone again
Need someone to numb the pain

Staying in my play pretend
Where the fun ain't got no end
Can't go home alone again
Need someone to numb the pain

You're gone and I gotta stay
High all the time
To keep you off my mind
High all the time
To keep you off my mind
Spend my days locked in a haze
Trying to forget you babe
I fall back down
Gotta stay high all my life
To forget I'm missing you
