Tove Lo, Habits (Stay High)

I eat my dinner in my bathtub
Then I go to sex clubs
Watching freaky people gettin' it on
It doesn't make me nervous
If anything I'm restless
Yeah, I've been around and I've seen it all

I get home, I got the munchies Binge on all my Twinkies Throw up in the tub Then I go to sleep And I drank up all my money Dazed and kinda lonely

You're gone and I gotta stay
High all the time
To keep you off my mind
High all the time
To keep you off my mind
Spend my days locked in a haze
Trying to forget you babe
I fall back down
Gotta stay high all my life
To forget I'm missing you

Pick up daddies at the playground How I spend my daytime Loosen up the frown, Make them feel alive I'll make it fast and greasy I'm numb and way too easy

You're gone and I gotta stay
High all the time
To keep you off my mind
High all the time
To keep you off my mind
Spend my days locked in a haze
Trying to forget you babe
I fall back down
Gotta stay high all my life
To forget I'm missing you

Staying in my play pretend Where the fun ain't got no end Can't go home alone again Need someone to numb the pain

Staying in my play pretend Where the fun ain't got no end Can't go home alone again Need someone to numb the pain

You're gone and I gotta stay
High all the time
To keep you off my mind
High all the time
To keep you off my mind
Spend my days locked in a haze
Trying to forget you babe
I fall back down
Gotta stay high all my life
To forget I'm missing you
