

Toyah, Summer Of Love

don't you know
designer each your mind
don't you know
what you see it's like dream

do you believe
what you talk it's true

it's all going down
on the beach
we all getting high
by the sea

love is touche me
joy dance have connect with me

all we need is a Summer Of Love
brng it back
it's all not gone
all we need is a Summer Of Love
lets get a boat
