

# Tracey Ullman, They Don't Know

You've been around for such a long time now  
Oh, maybe I could leave you but I don't know how  
And why should I be lonely every night  
When I can be with you, oh yes, you make it right  
And I don't listen to the guys who say  
That you're bad for me and I should turn you away

'Cause they don't know about us  
And they've never heard of love

I get a feeling when I look at you  
Wherever you go now, I wanna be there too  
They say we're crazy but I just don't care  
And if they keep on talking, still they get nowhere  
So I don't mind if they don't understand  
When I look at you and you hold my hand

'Cause they don't know about us  
And they've never heard of love

(Do do-do-do)  
Why should it matter to us if they don't approve  
(Do do-do-do)  
We should just take our chances while we've got nothin' to lose

Baby

There's no need for living in the past  
Now I've found a love, I'm gonna make it last  
I tell the others, don't bother me  
'Cause when they look at you they don't see what I see  
No I don't listen to their wasted lines  
Got my eyes wide open and I see the signs

'Cause they don't know about us  
And they've never heard of love

No I don't listen to their wasted lines  
Got my eyes wide open and I see the signs

'Cause they don't know about us  
And they've never heard of love
