

# Train, 50 Ways To Say Goodbye

My heart is paralyzed  
My head was over sized  
I'll take the highroad like I should!  
You said it's meant to be,  
that it's not you, it's me  
You're leaving now for my own good,  
That's cool, but if my friends ask where you are  
I'm gonna say:

She went down in airplane  
Fried getting suntanned  
Fell in a cement mixer full of quick sand  
Help me, help me, I'm no good at goodbye  
She met a shark on the water  
Fell and no one caught her  
I returned everything I ever bought her  
Help me, help me, I'm all out of lies  
And ways to say you died!

My pride still feels the sting  
You were my everything  
Someday I'll find a love like yours (a love like yours)  
She'll think I'm super man  
Not super mini van  
how could you leave on Yom Kippur?  
That's cool, but if my friends ask where you are  
I'm gonna say:

She was caught in a mudslide  
Eaten by a lion  
Got run over by a crappy purple Scion  
Help me, help me, I'm no good at goodbye  
She got lost in the desert  
drowned in a hot tub  
Danced to death in an east side night club  
Help me, help me, I'm all out of lies  
And ways to say you died!

I wanna live a thousand lives with you  
I wanna be the one you're dying to love  
But you don't want to  
That's cool, but if my friends ask where you are  
I'm gonna say  
That's cool, but if my friends ask where you are  
I'm gonna say

She went down in airplane
