

Travis Scott, K-POP (feat. Bad Bunny, The Weeknd)

Gonna pop, baby
Vemo'

Swish, uh (Uh)
Move that shit out here (Here)
You full off one sip (Sip)
Fallin' off but I got grip (Grip)
All around the trap, it hit (Hit, hit, ayy)
All around the map, you trip (Skrrt)
Take it like nine out of ten (Yeah)
Think they gon' find that again
Think I gotta bond out again
Behind the tint, I sin, I vent
Can't forget about that place we went
Right after you put that in my head
Do you still pop 'em? Do you dance?
Do you still drop some'? Know you can
I got a lot but I'm still chancin'

Yeah-yeah, yeah, yeah
Hace tiempo no te veo, eh
Es que ahora en Miami jangueo, eh, eh
Ya no tengo la Rodeo
Ahora en la G-Wagon spoteo, ey
Y te lo meto al frente 'e la playa
Como aquello' tiempo' de camino a Maya
Tú ni fumaba' y chingando te arrebaté
Dale, no pierdas tiempo, no lo piense', trépaté
Tú bien loca, loca, yo bien loco, loco
Si ahora tu mai nos pilla, me pide una foto
La nota me explota, el ticke' lo exploto
Vamo' pa' Cayo Musha, ya le texté al piloto, eh-eh

I know 'bout this one time
You felt like that winner (Winner)
That night was just so fire
I need you back sooner (Sooner)
You come back on this side
When shit get back cooler (Cooler)
We run it back one time
I'm grabbin' you uno (Uno)

Ooh (Uno)
Ooh-oooh (Mm-mm, mm-mm)
Ooh (Mm-mm, mm-mm)
Ooh-yeah (Mm-mm)

Mix the drugs with the pain
Let the waves lead the way
You in Cannes and Saint-Tropez callin' out my name
You know I'm wrong in my face, uh
You know I'm high off that K pop
Rubbin' up on your body
All your clothes, you gon' take off
South of France, we gon' party
This ain't some lil' yachty
We gon' fuck 'til we seasick
You my bad lil' mami, mami
You love me, you could tell me you love me
Even if you don't mean it (Mm-mm)
Sex'll make you believe it (Mm-mm)
I love it when she up on me (Mm-mm)
Love when she'll call me, "Papi" (Mm-mm)
Even though she Korean (Mm-mm)

Get her wet like tsunami, 'nami, ooh, yeah (Yeah-yeah, yeah, yeah)

I know 'bout this one time
You felt like that winner (Winner)
That night was just so fire
I need you back sooner (Sooner)
You come back on this side
When shit get back cooler (Cooler)
We run it back one time
I'm grabbin' you uno

Yeah-yeah, yeah, yeah (Uno)
