Travis Tritt, Leave My Girl Alone

You better leave You better leave my little girl alone You better leave You better leave my little girl alone Before I go and get evil minded And I go and do somethin' wrong You call up my house just yesterday And I picked up the extension And I heard every word you say Why don't you just go on man Go on and leave my little girl alone Yeah before I get evil minded And I go and do somethin' wrong Yeah you call up my house All hours of the night Let me tell you mister That's a damn good way to start a fight Yeah why don't you just go on Man and leave my little girl alone Before I get evil minded Lord and go and do somethin' wrong Yeah you better leave baby You better leave my little baby alone I'm gonna tell you what hoss You better leave You better leave my little girl alone Before I get evil minded And I go and do somethin' wrong
