## Treat Williams, Love Song

There's a wren in a willow wood
Flies so high, sings so good
And he brings to you, what he sings to you
And the love in his lullaby
Seems to tell me if I try
I could fly for you
Lover I wanna try for you cause

And I wanna sing you a love song Wanna rock you in my arms all night long I wanna get to know you Wanna show you the peaceful feeling of my home

Summer thunder on moon-bright days Northern lights in the skies ablaze I'll bring to you, if you let me sing to you Northern lights in a firery sky Show the trail of our lullaby Sing to you, girl I wanna sing to you

And I wanna sing you a love song I wanna rock you in my arms all night long I wanna get to know you I wanna show you the peaceful feeling of my home

Ooh la la la la Ooh la la la la
