

# Treaty Oak Revival, Missed Call

Tried to call you on the telephone  
I didn't make it past three rings  
I tried to think of the perfect things to say  
To you after the beep

Well I'm sorry that I'm drunk  
I'm sorry what I said  
I'm sorry for anything I ever did  
But you ain't called back so  
I guess I'll get some sleep

And I'm waiting patiently  
But you're done and its plain to see  
That I messed up too much  
I guess I'll cut my loss

And oh well, I'm drunk as hell  
Guess it's so long darling I wish you well  
And I'll take my Goddamn phone and shut it off  
Well I'm just tired of being just another missed call

Pretty glad you ain't call me back  
It would have only made things worse  
I always try to get the last word in  
When you didn't even like the first

Now I'm begging baby please  
You're begging me to leave  
You don't want anything to do with me  
And I guess you finally hit me where it hurts

And I'm waiting patiently  
But you're done and its plain to see  
That I messed up too much  
I guess I'll cut my loss

And oh well, I'm drunk as hell  
Guess it's so long darling I wish you well  
And I'll take my Goddamn phone and shut it off  
Well I'm just tired of being just another missed call

Yeah I'm just another missed call

Well I'm done and it's safe to say  
I won't make it past three rings  
I'm pretty done finding words to say  
To you after the beep

And I've waited patiently  
But you're done and its plain to see  
That I messed up too much  
I guess I'll cut my loss

And oh well, I'm drunk as hell  
Guess it's so long darling I wish you well  
And I'll take my Goddamn phone and shut it off

Well I'm just tired of being just another missed call  
Yeah I'm just another missed call
